PRAMOD GAIKWAD

SENIOR DRUPAL DEVELOPER

Pune, Maharashtra, India
pramod.gaikwad88@gmail.com | +91- 9763063947 | www.techxium.blog

SUMMARY

Senior Drupal Developer with over 11+ years of experience in providing enterprise-grade solutions on Drupal 7, 8, 9, 10 and 11. Strong expertise in custom module development, site building, theming, API integrations, and performance optimization. Experienced in API integrations, dynamic REST API development, headless CMS setups, and multilingual platforms. Proven ability in team leadership, requirement analysis, client communication, and delivering scalable, maintainable, high-performance Drupal applications.

CORE SKILLS

Drupal	Drupal 7/8/9/10, Custom Modules, Themes, Views, Paragraphs, Webforms, Multilingual, Config Management
Backend & APIs:	OOP, REST APIs, Apigee, GraphQL, OAuth/JWT, JSON
Frontend	HTML5, CSS3, Responsive Web Design, JavaScript, jQuery, Bootstrap, Twig, D3.js
DevOps & Tools	Git, Jenkins, Drush, Composer, DDEV, Jira, Bitbucket
Performance	Redis, Varnish, Caching, Aggregation, Lazy Loading
Others	Team Leadership, Code Reviews, Client Communication, SDLC

PROFESSIONAL EXPERIENCE

Sr. Technical Specialist - DigitalAPI   **Nov 2021 - Present**

- Led development of a Drupal 11 API Repository Portal integrating Apigee Edge/ApigeeX, enabling automated API onboarding using Jenkins-based CI/CD pipelines.
- Developed custom modules for API management, authentication, workflow implementation, and analytics dashboards.
- Implemented dynamic ingestion of OAS2/OAS3/GraphQL API specifications to support multiple API standards in real time.
- Built REST API integrations for developer onboarding, workspace management, and fintech/banking integrations.
- Build the API documentation portal as a multisite for documenting the usage tutorials to end user.
- Mentored a 4-member team, conducted sprint planning, code reviews, and managed client technical discussions end-to-end.

Sr. Product Engineer — RiseSmart HR Services Pvt. Ltd.   **Nov 2019 - Nov 2021**

- Built a multilingual headless CMS in Drupal 8 delivering structured content to web/mobile clients via REST APIs.
- Managed AWS S3 media architecture and improved media delivery efficiency.
- Developed custom modules for job recommendation workflows, content automation, and user experience enhancements.
- Designed scalable architecture for content ingestion, content migration, and external system integrations.

Sr. Software Engineer — Cybage Software Pvt. Ltd.   **Jan 2014 - Nov 2019**

- Delivered multiple enterprise-level Drupal 7 and 8 portals for corporate, media, e-commerce, and B2B industries.
- Built dynamic dashboards using D3.js and Yii frameworks for data visualization and reporting.
- Managed end-to-end theming workflows using Twig, responsive UI development, and cross-browser compatibility.

NOTABLE PROJECTS

- Fiserv Admin OneApiMarketplace (Drupal 11)
- HSBC Developer Portal (Drupal 11)
- Risesmart CMS (Drupal 9)
- Cybage Corporate Portal (Drupal 8)
- Gratifi Rewards Portal (Drupal 8)
- TheFoundry Media Portal (Drupal 7)
- Dremel 3D Printer Website (Drupal 7)
- Flipkart Seller Learning Portal (Drupal 7)
- Singpost Postal Portal (Drupal 7)
- Pharma Lifecycle Portal (YII2 + D3.js)

KEY PROJECT HIGHLIGHTS

1. API Repository Platform – DigitalAPICraft

- Designed and developed a full-scale API Repository Portal in Drupal 9 integrating with Apigee Edge/ApigeeX for managing developers, apps, companies, and API products.
- Built custom modules to automate API onboarding, converting OAS2/OAS3/GraphQL specifications into searchable, formatted documentation.
- Implemented workflows for developer onboarding, workspace creation, key generation, and fintech–bank integrations.
- Created dashboards for banks, fintechs, and developers with real-time API usage analytics and detailed reporting.
- Developed a custom exception-handling and audit logging framework for transparent error tracking and debugging.

2. Flipkart Seller Learning Portal

- Developed a complete learning management platform for new and existing Flipkart sellers to learn product listing, inventory management, order processing, and sales optimization.
- Built structured learning modules with step-by-step guides, chapter-wise flow, and interactive content delivery.
- Integrated video-based tutorials using embedded players, supporting hundreds of training videos.
- Implemented custom modules for course management, quiz handling, user progress tracking, and automated evaluations.
- Developed self-assessment quizzes with scoring logic and dynamic result generation to measure seller readiness.
- Created responsive, user-friendly learning pages to ensure smooth access across devices.

3. RiseSmart CMS

- Built a fully headless Drupal 8 CMS designed to deliver structured content to multiple external portals via REST APIs.
- Implemented multilingual support for 28+ languages, enabling global content distribution across regions.
- Designed content architecture grouped by product levels, program types, and application-specific requirements.
- Integrated AWS S3 storage for managing all media assets, ensuring scalable and optimized content delivery.
- Enabled seamless API-driven consumption of content by web applications, mobile apps, and partner systems.

EDUCATION

Masters of Computer Application   **2012**
Jayawant Institute of Management Studies, Pune
Percentage : 71.35%

Bachelor of Computer Application   **2009**
Tilak Maharashtra University, Pune
Percentage : 70.05%

HSC   **2006**
MES Abasaheb Garware College, Pune
Percentage : 53.33%

SSC   **2004**
GSM School, Pune
Percentage : 63.06%

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Marathi.
- **Certifications:**
  - Acquia Certified Developer - Drupal 8   **2018**
